

Bambi MAX

**MAXIMIZE EVERY DROP!
EXTRA FEATURES!**

Introducing an entirely new Bambi Bucket® that offers the same robust, durable bucket that you've come to know over the past 30 years. The Bambi MAX now features a lightweight, low power draw, quick operating multiple drop valve that increases volume per drop through a fuel cycle, requires less maintenance and offers reliability for years to come.

FEATURES

- **Lightweight** – lightest collapsible multiple dump bucket in the market
- **Low power draw** – less than 5 amps
- **Quick valve actuation** – open/close in milliseconds
- **Quick connect** – plugs into existing electrical
- **Longevity** – same rugged Bambi Bucket fabric shell design

FUNCTIONALITY

- Unlimited valve actuations
- Manual or auto load control
- Single/multiple drops
- Coverage level control
- Split drops

FIREFIGHTING

- **No cinch strap** – more volume on every bucket load as fuel burns off
- **Low maintenance** – reduce operating costs and keep flying
- PowerFill™ and Sacksafoam™ compatible
